

JIE YEE LIM

+1 (445) 256 3211 | jieyee@gatech.edu | [linkedin.com/in/jieyeelim](https://www.linkedin.com/in/jieyeelim)

EDUCATION

Ph.D. in Quantitative Psychology Aug. 2025 – present
Georgia Institute of Technology Atlanta, GA
Advisor: Dr. [Audrey Leroux](#)

M.S.Ed. in Statistics, Measurement, Assessment, and Research Technology 2024
University of Pennsylvania Philadelphia, PA
GPA: 4.0/4.0

B.S. in Psychology 2022
Chung Yuan Christian University Taoyuan, Taiwan
GPA: 3.98/4.0 (Rank: 1/126)

RESEARCH EXPERIENCE

Georgia Institute of Technology Aug. 2025 – present
Graduate Student Researcher (Advised by Dr. Audrey Leroux)

- Support Math Words, an IES-funded grant project, by building and managing REDCap databases for Year 3 and Year 4 data collection.
- Analyzed Year 3 data in R, producing descriptive statistics and item analyses used to revise and improve Year 4 measures.
- Designed and conducted a Monte Carlo simulation study evaluating missing data methods in multilevel models; presented a poster at the 2026 Modern Modeling Methods (M³) Conference.
- Conducted a simulation study on multiple membership partially nested models; co-authored a proposal submitted to the AERA Annual Meeting (under review).

INSIGHT Lab, University of Pennsylvania May - Sep. 2024
Graduate Research Assistant

- Collected data for a study examining the relation between parenting styles and children’s cognitive learning processes.

CURRICULUM VITAE

- Supported the administration of assessments (e.g., Sally-Anne test for theory of mind, Treasure Hunt Game for problem-solving), contributing to a dataset that provides insights into early learning and cognitive growth.

Strategic Weather Station, Taiwan

Oct. – Dec. 2022

Research Assistant

- Led market research for Philips Taiwan's air purifier portfolio, evaluating product-market fit for NT\$15-25k segment.
- Conducted qualitative research through 5 focus groups (30 participants) to assess consumer perception of design, functionality, and brand positioning.

Dept. of Applied Linguistics & Language Teaching, CYCU

Oct. 2021 – Mar. 2022

Research Assistant

- Conducted literature reviews and assisted in drafting Taiwan's National Science and Technology Council (NSTC) research grant proposal on technology-assisted approaches for English proficiency exam preparation.
- Analyzed repeated measures data to evaluate corpus-based and Interactive Response System (IRS) techniques' effectiveness in TOEIC vocabulary acquisition.

PUBLICATIONS & PRESENTATIONS

1. **Lim, J. Y.**, Leroux, A. J., & Himmelstein, M. (2026, June 22-24). *The impact of a small number of clusters on missing data methods in multilevel models with random coefficients* [Poster presentation]. Modern Modeling Methods Conference, New York, NY, United States.
2. Yeh, L.-H., & **Lim, J. Y.** (2022). Multilinguals in a monolingual community: The influence of non-linguistic switching cost and awareness of language environment on intentional and unintentional language switch. *Revista Linguagem em Foco*, 13(4), 78-95.

3. **Lim, J. Y.**, & Yeh, L.-H. (2021, October 16-17). *Multilinguals in a monolingual community: The influence of non-verbal switching and awareness of language environment on unintentional code-switching* [Poster presentation]. 2021 TPA annual conference, Taipei, Taiwan.

TEACHING EXPERIENCE

CEISMIC Summer PEAKS, Georgia Institute of Technology

Summer 2026

Camp Leader

- Led 24 metro-Atlanta high school students through a five-day psychology program; coordinated speaker sessions and mentored students' poster research proposals.

Georgia Institute of Technology

Teaching Assistant

PSYC 4031: Psychology Capstone

Spring 2026

CS 8803: Quantitative Research Methods

Fall 2025

The Wharton School, University of Pennsylvania

Summer 2024

Teaching Assistant

Essentials of Entrepreneurship (Wharton Global Youth Program)

Chung Yuan Christian University

Fall 2021

Teaching Assistant

PS548R: The Biological Foundation of Human Intelligence

PS549R: Advanced Neurolinguistics

GE278A/B/C: Philosophy and Thinking

PROFESSIONAL EXPERIENCE

The Wharton School, University of Pennsylvania

Jan. – May 2024

Student Application Evaluator

- Evaluated over 500 applications for the 2024 Wharton Global Youth Summer programs.
- Reviewed transcripts, essays, and supporting materials to identify pre-college students with the potential to excel in business and leadership, facilitating their first steps toward global economic transformation.

Chinese Journal of Psychology

2021 – 2022

Executive Secretary

- Proofread over 40 theses to ensure that they matched the APA 7th edition format.
- Liaised with the journal editor, author, and publisher to assist the publication of quarterly articles.

CURRICULUM VITAE

- Managed ~15 emails per day and other correspondence to facilitate communication and journal operation.

SKILLS

- **Statistical Analysis:** R, SAS, SPSS, Python
- **Data Management:** REDCap, Excel, Qualtrics
- **Methods:** multilevel modeling, Monte Carlo simulation, item response theory, item analysis, structural equation modeling, missing data analysis, survey design, focus groups
- **Languages:** English, Mandarin, Malay

HONORS AND AWARDS

Merit Scholarship , University of Pennsylvania	2023
Undergraduate Research Award , Chung Yuan Christian University	2022
Honorary Membership , The Phi Tau Phi Scholastic Honor Society of the Republic of China	2022
Certificate of Holistic Honorary Award , Chung Yuan Christian University	2021
Certificate of Excellence , Chung Yuan Christian University	2018 -2022

SERVICE

Event Coordinator , Taiwanese Student Association (UPenn)	2024
Committee , GAPSA International Student Affairs (UPenn)	2024
Consultant , Alumni Association of Chinese High School (Batu Pahat, Malaysia)	2021
President , Alumni Association of Chinese High School (Batu Pahat, Malaysia)	2021
Event Coordinator , Chung Yuan Overseas Student Association (CYCU)	2020
Financial , Malaysia and Minority Association (CYCU)	2020
